

Type of Edit:
Street/Road Name Change

One *Maine Enhanced 9-1-1 Update Form* will need to be filled out for the above edit. The following sections are found on *MSAG Update Forms* and serves as an example as to what information needs to be provided to MEGIS in order to complete the edit. In addition, please provide *all* the information noted on the map above by marking it on a *copy* of the map book page. *Please* submit both the map book page and the *Update Form* to MEGIS.

FORM 1

<input type="checkbox"/> <input type="checkbox"/> C. Steet Name Change	Effective Date: 1/24/2003
1. Old Street Name: Riverside Av	
2. New Street Name: Johnsons Wy	

Remarks: Town changed road name to eliminate similar sounding/duplicate road name within the town.
